

ALEXANDRIA SOCCER ASSOCIATION Boys and Girls Futsal Overview

The objective of the Futsal I.D. program is to provide select elite level players with an opportunity to receive the most comprehensive Futsal experience in the Nation. The newly structured ASA Futsal I.D. program features more training than ever, three levels of competition/commitment, and a wide variety of local, regional and national futsal competition experiences. We encourage all those who love the sport of futsal to explore an opportunity to learn from futsal certified coaches who have a passion for teaching the unique fast pace game.

Below is the futsal overview for the entire 2017/18 season. Players will be placed into one of the following options by the ASA Technical Staff.
